The St. Louis Sails Into New York Tom Livingston Shot His Sweetheart, Fannie Freeman, and Himself.

Back-Livingston Walked a Mile with Bullet in His Breast.

SPENCER, Ind., December 1.— Tom Livingston shot his former sweetheart. Fannie Freeman, in the back yesterday afternoon, at her home, near Freeman, sage. The St. Louis left the channel with this county, then shot himself in the moderate breeze, which later became a breast near the heart. Both are expected to die. Livingston is twenty-two year old and the son of William R. Livingsto a merchant of Freeman. Miss Freeman twenty years old and the daughter of Livingston and Miss Freeman were en-

gaged, but the engagement was broken by the woman a few months ago. Livingston at that time threatened to take the life of the girl, and she filed action against him to keep the peace.

He left for Illinois before notice could be served. Both Attended a Funeral

He returned last week and yesterday attended a funeral, where Miss Freeman was with her father. Freeman preceded them to their home and secreted himself the try and, as his daughter started to the barn, and, as his daughter started to the latter than the barn. house, Livingston shot her in the back. She fell, apparently dead.

Doctors say neither will live.

Another story of the tragedy is that Livingston had been keeping company with Miss Freeman for two years, and about three months ago she told him she did not love him and asked him to stay away from her. He persisted in his at-

talked with her mother of his love affair. State prison for not less than two years He saw Miss Freeman coming up the road, about forty yards from the house. Livingston did not seem to be angry and said he would go to meet her. When they met of any such school or college, or incorashort talk followed. Insane from Jealousy.

The girl then continued on her way to the house, when Livingston drew a re-volver from his pocket and, without a The girl ran a short distance before she

horse was not badly injured. The Dugsy was demolished.

The body of Mrs. Holmes was taken to the city morgue in the dispensary ambulance and it was not identified until about 2 o'clock.

The street car fetallity to-day was the fifteenth this year. In November there were three fatal street car accidents, all of them crowded into the last two weeks.

Cemetery, and that he assisted in robbing a grave. After the first time, Mason said, the work seemed casy and the pay good. He quit the business about three years ago, he said, and has not since stolen a body. Mason willingly wrote out a statement of part of his transaction with the ghouls and signed it. It reads as follows:

Written Statement.

ANOTHER OPEN SWITCH.

An Accident on the L. & V.—Engine Damaged—No One Injured.

Another open switch accident occurred in this city yesterday morning. Train 49, trib was a water hard as a content of the company of th trip was a 'water haul,' as the body gone when we opened the grave, body that we got was delivered to Indiana Medical College. It was taker the rear of the building and left on inside on the floor. Moffitt carried body into the building. I stayed in buggy on the outside. Two or three after we delivered the body Billy I paid me \$10 for my share for The next trip, I think, we we is known as Round Point ceme fitt and a colored man were fitt and a colored man were with We got a body there and delivered the Indiana Medical College. We p on the floor of the college. We put it is on the floor of the college the same as before. About two or three days afterward I got \$5 for my share of the work. Moffitt paid me. These trips were made about four years ago. We used a two-seated wagon. Moffitt always sat on the rear seat with the hoodies." rear seat with the bodies.

#### Fight in a Graveyard.

Cantrell tells a grewsome story about a fight with Mason, Moffitt and West, in the Oaklandon cemetery. He and Martin went to the place to se said. The white men ev them, and they waited until the r dug up the body. The white me sprang forward and a fight with reresulted. Cantrell said he and Martin resulted. Califers and he are were chased away because they were of cartridges. The next night they turned and found the grave filled. Tagain opened it, but the body was miss. The physicians in charge of the Med College of Indiana have repeatedly de

College Officials' Statement.
Dr. Henry Jameson, dean of the Medical College of Indiana, said he did not, know whether the statement made by Mason is true. He said during his connection with the college he is confident that no illegitimate bodies were obtained for dissecting nursoess.

that no illegitimate bodies were obtained for dissecting purposes.

"We have made every effort to avoid receiving bodies that were not lawfully obtained," he said, "and we made it a rule not to have any dealings with persons engaged in selling bodies."

Dr. John H. Oliver, the treasurer of the college and a member of the faculty, said he had never heard of Mason. He said all bodies used by the college since his connection with the institution were

#### DR. DOWIE DEMANDS TITHES.
